ANNUAL STATE APPLICATION FOR FUNDS UNDER IDEA PART C OPPORTUNITY FOR PUBLIC PARTICIPATION

The Utah Department of Health and Human Services offers an opportunity for review of the 2024 Annual Application for Funds under Part C of the Individuals with Disabilities Education Act (IDEA). The application is available to view March 12 to May 12, 2024. Public comment is invited from March 12 to April 12, 2024.

This application for funds includes the required assurances and the budget for federal funds. The amounts listed in the budget are based on the projected allocation year, FFY 2024, received from the Office of Special Education Programs in the United States Department of Education. A copy of the completed application may be viewed at babywatch.utah.gov. This document will also be sent to each local early intervention program, contracted through the Utah Department of Health and Human Services, as well as the Utah Parent Center. Those agencies are asked to make the application available to view.

Interested citizens are invited to comment on the proposed plan. Emailed comments may be submitted no later than April 12, 2024 to: tamaraha@utah.gov
