What is Baby Watch?

Baby Watch is the state agency responsible for Part C early intervention (EI) services in Utah. Our statewide network of EI programs serves the families of eligible infants and toddlers with developmental delays or disabilities.

What is Early Intervention?

Early intervention (EI) is a parent coaching program that teaches families how to support their infant or toddler's development. EI services are customized for every child and family, and are provided by a team of qualified personnel that may include:

- Service coordinators
- Child development specialists
- Speech-language pathologists
- Registered nurses
- Occupational therapists
- Physical therapists
- Social workers
- Hearing specialists
- Vision specialists
