6. **No Automatic Renewals:** This agreement will not automatically renew.
7. **Laws and Regulations:** The Subrecipient shall comply with all applicable federal, state, and local laws, rules, codes, orders, and regulations, including applicable licensure and certification requirements. Any federal regulation related to the federal funding, including CFR Appendix II to Part 200, will take precedence over any conflict with this Attachment A.
8. **Conflict of Interest:** The Subrecipient represents that none of its officers or employees are officers or employees of DHHS or the State, unless written disclosure has been made to DHHS. The Subrecipient shall comply and cooperate in good faith with all conflict of interest and ethic laws.
9. **Independent Capacity:** The Subrecipient and any subcontractors, in the performance of this agreement, shall act in an independent capacity and not as officers, employees, or agents of DHHS.
10. **Reporting Receipt of Federal and State Funds.**
 - 10.1. If the Subrecipient is a nonprofit corporation and receives Federal Pass Through Money or State Money, the Subrecipient shall disclose to DHHS, annually and in writing, whether it has received in the previous fiscal year or anticipates receiving any of the following amounts: (i) revenues or expenditures of Federal Pass Through Money, State Money that is not payment for goods or services purchased from the Subrecipient, and Local Money in the amount of \$750,000 or more; (ii) revenues or expenditures of Federal Pass Through Money, State Money that is not payment for goods or services purchased from the Subrecipient, and Local Money at least \$350,000 but less than \$750,000; or (iii) revenues or expenditures of Federal Pass Through Money, State Money that is not payment for goods or services purchased from the Subrecipient, and Local Money of at least \$100,000 but less than \$350,000. This disclosure must be made when entering into this agreement and annually thereafter no later than six months after the end of the Subrecipient's fiscal year.
 - 10.2. The Subrecipient shall provide to DHHS a written description and itemized report at least annually detailing the expenditure of State Money, and the intended expenditure of any State Money that has not been spent. The Subrecipient shall provide to DHHS a final written itemized report when all the State Money is spent. DHHS may require the Subrecipient to return an amount of money that is equal to the State Money expended in violation of the terms of this section. Reports must be submitted no later than July 31st of each year and no later than 30 days after the expenditure of all State funds, whichever is earlier.
 - 10.3. The Subrecipient shall comply with all federal and State reporting requirements, including as applicable, but not limited to, 2 C.F.R. 200 and Utah Code sections 51-2a-201, 51-2a-201.5, and 63J-1-220.
 - 10.4. Reports that are required to be sent to DHHS must be sent to dhhsfinancialreports@utah.gov.
11. **Timely Reporting:** The Subrecipient shall timely submit all reports and back-up data required by this agreement or requested by the federal awarding agency or DHHS.
12. **Invoicing:** Unless otherwise stated in the scope of work, the Subrecipient shall submit invoices along with any supporting documentation within 20 days following the last day of the month in which the expenditures were incurred or the services provided. The Subrecipient shall list this agreement number on all invoices and correspondence relating to this agreement. The Subrecipient shall submit all final billings under this agreement within 14 days of expiration or termination of this agreement, regardless of the Subrecipient's billing period. Notwithstanding the foregoing, the Subrecipient shall submit all billings for services performed on or before June 30th of a given fiscal year no later than July 14th of the following fiscal year, regardless of Subrecipient's billing period or the expiration or termination date of this agreement.
13. **Supporting Documentation:** The Subrecipient shall maintain documentation necessary to support the costs billed by the Subrecipient and shall submit the documentation with the billings, if requested. The Subrecipient shall store and file required documentation in a systematic and consistent manner.

14. Questioned Costs: DHHS may question any billing by the Subrecipient if the billing is not supported by proper documentation.

15. Payment:

15.1. Payment to the Subrecipient will be based on allowable costs incurred by the Subrecipient in providing services pursuant to this agreement. The Subrecipient shall maintain documented expenditures that comply with federal cost principles and any attached budget. Expenditures must be reasonable and necessary to carry out agreement requirements. The Subrecipient shall be responsible for any expenditures DHHS finds to be improper or unallowable, including personal expenses, and shall repay these expenditures from funds other than those provided pursuant to this agreement or any other agreement between DHHS and the Subrecipient. This provision will survive the expiration or termination of this agreement.

15.2. DHHS shall make payments within 30 days after a correct invoice is received. All payments to the Subrecipient will be remitted by mail, electronic funds transfer, or the State's purchasing card. If payment has not been made after 60 days from the date a correct invoice is received by DHHS, then interest may be added by the Subrecipient as prescribed in the Utah Prompt Payment Act. The acceptance by the Subrecipient of final payment, without a written protest filed with DHHS within 10 business days of receipt of final payment, will release DHHS and the State from all claims and all liability to the Subrecipient. DHHS's payment for the services will not be deemed an acceptance of the services and is without prejudice to any and all claims that DHHS or the State may have against the Subrecipient. The Subrecipient shall not charge end users electronic payment fees of any kind.

15.3. If funding to DHHS is reduced due to an order by the legislature or the governor, or is required by State law, or if applicable federal funding is not provided to DHHS, DHHS shall reimburse the Subrecipient for products delivered and services performed through the date of cancellation or reduction, and DHHS shall not be liable for any future commitments, penalties, or liquidated damages.

15.4. Upon 30 days written notice, the Subrecipient shall reimburse DHHS for funds DHHS is required to reimburse a third party funding source resulting from the actions of the Subrecipient or its subcontractors.

16. Related Party Payments. The Subrecipient shall not make payments to Related Parties in any category of expenditure (administrative costs, capital expenditures, or program costs) without the prior written consent of DHHS. Among other items, payments to Related Parties include: salaries, wages, compensation under employment or service agreements, or payments under purchase, lease, or rental agreements. Payments made by the Subrecipient to Related Parties without prior written consent may be disallowed and require repayment to DHHS. "**Related Parties**" means (a) any person related to the vendor's representative by blood or marriage including, but not limited to, father, mother, husband, wife, son, daughter, sister, brother, grandfather, grandmother, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, uncle, aunt, nephew, niece, grandson, granddaughter, or first cousin; and (b) all business associates of the vendor: (i) who are partners, directors, or officers in the same business entity as the vendor; (ii) who have authority to make decisions or establish policies in the same business entity as the vendor; or (iii) who directly or indirectly own 10% or more in the same business entity as the vendor.

17. Repayment: Upon written request by DHHS, any overpayments, disallowed expenditures, excess payments, or questioned costs will be immediately due and payable by the Subrecipient. In the alternative, DHHS may withhold any or all subsequent payments pursuant to this agreement until DHHS fully recoups these funds. In such cases, the Subrecipient shall not reduce the level of services required by this agreement.

18. Budget Adjustments: If this agreement is budget based, the budget attached to this agreement will be the basis for DHHS's payments to the Subrecipient. The Subrecipient shall not transfer budgeted funds from program costs to either administrative costs or capital expenditures without DHHS's prior written approval. The Subrecipient shall not transfer budgeted funds between administrative costs and capital expenditures without DHHS's prior written approval. The Subrecipient may transfer funds from administrative costs or capital

expenditures to program costs without prior approval. The Subrecipient may transfer funds between subcategories within each major category without prior approval if there are no restrictions on expenditures within those subcategories.

19. Excessive Expenditures: If this agreement requires a budget, DHHS may question any amounts in excess of the total amount budgeted in either administrative costs or capital expenditures and may require the Subrecipient to refund the excesses to DHHS. Amounts in excess of the total amount budgeted in program costs will not normally result in questioned costs unless DHHS has placed restrictions on subcategories within this major category. If this agreement restricts expenditures within defined subcategories, DHHS will consider any unapproved excesses to be a questioned cost.

20. Nonappropriation of Funds, Reduction of Funds, or Changes in Law: Upon 30 days written notice delivered to the Subrecipient, DHHS may terminate this agreement in whole or in part, or proportionately reduce the services and the amounts due, if DHHS reasonably determines that: (i) a change in federal or State legislation or applicable laws materially affects the ability of either party to perform under the terms of this agreement; or (ii) a change in appropriations, available funds, or budgets affects DHHS's ability to pay under this agreement. A change of available funds as used in this paragraph includes, but is not limited to, a change in federal or State funding, whether as a result of a legislative act or by order of the President or the Governor. If a written notice is delivered under this section, DHHS shall reimburse the Subrecipient for the services properly ordered until the effective date of said notice. DHHS will not be liable for any performance, commitments, penalties, or liquidated damages that accrue after the effective date of said written notice.

21. Cost Accounting System: The Subrecipient shall maintain an accounting system that provides a general ledger and cost accounting records adequate to assure that costs incurred are reasonable, allowable, allocable to agreement objectives, and separate from costs associated with other business activities of the Subrecipient. The Subrecipient shall ensure that its accounting system meets required reporting requirements and timely development of cost data in the required form.

22. Insurance:

22.1. The Subrecipient shall at all times carry and maintain commercial general liability ("CGL") insurance from an insurance company authorized to do business in the State. The limits of the CGL insurance policy must be no less than \$1,000,000 per occurrence and \$3,000,000 aggregate.

22.2. If the Subrecipient will use a vehicle in the performance of this agreement, the Subrecipient shall at all times carry and maintain commercial automobile liability ("CAL") insurance from an insurance company authorized to do business in the State. The CAL insurance policy must cover bodily injury and property damage liability and be applicable to all vehicles used in the performance of this contract whether owned, non-owned, leased, or hired. The minimum liability limit must be at least \$1,000,000 per occurrence, combined single limit.

22.3. The Subrecipient shall provide proof of the CGL insurance policy and other required insurance policies to DHHS within 30 days of contract award. The Subrecipient shall add the State as an additional insured with notice of cancellation.

22.4. Failure to provide proof of insurance as required will be deemed a material breach of this contract. The Subrecipient's failure to maintain this insurance requirement for the term of this contract will be grounds for immediate termination of this agreement.

23. Suspension of Work: DHHS shall give the Subrecipient written notice should DHHS suspend the Subrecipient's responsibilities under this agreement. The Subrecipient's responsibilities may be reinstated upon advance written notice from DHHS.

24. Indemnification:

24.1. If the Subrecipient is a governmental entity, the parties mutually agree that each party assumes liability for the negligent and wrongful acts committed by its own agents, officials, or employees, regardless of

the source of funding for this agreement. Neither party waives any rights or defenses otherwise available under the Governmental Immunity Act.

24.2. If the Subrecipient is a non-governmental entity, the Subrecipient shall be fully liable for the actions of its agents, employees, officers, partners, and subcontractors. The Subrecipient shall fully indemnify, defend, and save harmless DHHS and the State from all claims, losses, suits, actions, damages, and costs of every name and description arising out of the Subrecipient's performance of this agreement caused by any intentional act or negligence of the Subrecipient, its agents, employees, officers, partners, or subcontractors, without limitation; provided, however, that the Subrecipient shall not indemnify for that portion of any claim, loss, or damage arising hereunder due to the sole fault of DHHS. The Subrecipient is solely responsible for all payments owed to any subcontractor arising from the Subrecipient's performance under this agreement and will hold DHHS harmless from any such payments owed to the subcontractor. This provision survives the expiration or termination of this agreement.

24.3. The parties agree that if there are any limitations of the Subrecipient's liability, including a limitation of liability clause for anyone for whom the Subrecipient is responsible, such limitations of liability will not apply to injuries to persons, including death, or to damages to property.

25. Intellectual Property Indemnification: The Subrecipient shall indemnify and hold DHHS and the State harmless from and against any and all damages, expenses (including reasonable legal fees), claims, judgments, liabilities, and costs in any action or claim brought against DHHS or the State for infringement of a third party's copyright, trademark, trade secret, or other proprietary right. The parties agree that if there are any limitations of the Subrecipient's liability, such limitations of liability will not apply to this section.

26. No Subrogation or Contribution: The Subrecipient has no right of subrogation or contribution from the State or DHHS for any judgment rendered against the Subrecipient.

27. Debarment: DHHS may immediately terminate this agreement if DHHS determines that the Subrecipient has been debarred, suspended, or otherwise lawfully excluded from participating in any agreement issued by a governmental entity, including but not limited to, being determined ineligible as a subcontractor of any governmental entity. The Subrecipient certifies that it is not currently suspended, debarred, or otherwise prohibited to enter this agreement. The Subrecipient shall immediately notify DHHS if the Subrecipient becomes suspended, debarred, or otherwise ineligible for this or any other agreement issued by a governmental entity.

28. Termination and Default:

28.1. Termination for Convenience. DHHS may terminate this agreement without cause, upon 30 days written notice to the Subrecipient. If the Subrecipient terminates this agreement without cause, DHHS may treat the Subrecipient's action as a default under this agreement.

28.2. Termination for Cause. Each party may terminate this agreement with cause. If the cause for termination is due to the default of a party, the non-defaulting party shall give written notice to the defaulting party of its intent to terminate. The defaulting party may cure the default within 10 days of the notice. If the default is not cured within the 10 days, the party giving notice may terminate this agreement 40 days from the date of the initial notice of default or at a later date. Time allowed for cure will not diminish or eliminate the Subrecipient's liability for damages.

28.3. Miscellaneous Grounds for Termination. In addition to other grounds for termination, DHHS may immediately terminate this agreement if DHHS receives a notice of a lien against the Subrecipient's payments or if the Subrecipient becomes debarred, becomes insolvent, files for bankruptcy or reorganization proceedings, is subject to IRS withholding, sells 30% or more of the company's assets or corporate stock, or gives notice of its inability to perform its obligations under this agreement. The Subrecipient shall provide DHHS with proof of financial viability upon request.

- 28.4. Payment After Termination.** DHHS shall pay the Subrecipient for the services properly performed under this agreement up to the effective date of the notice of termination. The Subrecipient agrees that in the event of termination, the Subrecipient's sole remedy and monetary recovery from DHHS or the State is limited to full payment for all services properly performed as authorized under this agreement up to the date of termination, as well as any reasonable monies owed as a result of the Subrecipient having to terminate other contracts necessarily and appropriately entered into by the Subrecipient pursuant to this agreement.
- 28.5. Default.** Any of the following events will constitute cause for DHHS to declare the Subrecipient in default of this agreement: (i) the Subrecipient's non-performance of its contractual requirements and obligations under this agreement; or (ii) the Subrecipient's material breach of any term or condition of this agreement. If the Subrecipient defaults in any manner in the performance of any obligation under this agreement, or if audit exceptions are identified, DHHS may either adjust the amount of payment or withhold payment until satisfactory resolution of the default or exception. Default and audit exceptions for which payment may be adjusted or withheld include disallowed expenditures of federal or State funds as a result of the Subrecipient's failure to comply with federal regulations or State rules. In addition, DHHS may withhold amounts due the Subrecipient under this agreement, any other current agreement between DHHS and the Subrecipient, or any future payments due the Subrecipient to recover the funds. DHHS shall notify the Subrecipient of DHHS's action in adjusting the amount of payment or withholding payment. This agreement is executory until such repayment is made.
- 29. Remedies:** In addition to terminating this agreement upon default or breach of the Subrecipient, DHHS may do one or more of the following: (i) exercise any remedy provided by law or equity; (ii) impose liquidated damages; (iii) debar or suspend the Subrecipient from receiving future contracts from DHHS or the State; and (iv) demand a full refund of any payment DHHS has made to the Subrecipient for services that do not conform to this agreement.
- 30. Reviews:** DHHS may perform plan checks or reviews and require changes when needed. Such reviews do not waive the requirement of the Subrecipient to meet all of the terms and conditions of this agreement.
- 31. Performance Evaluation:** DHHS may conduct a performance evaluation of the Subrecipient's services, including the Subrecipient's subcontractors. DHHS may make the results of any evaluation available to the Subrecipient. DHHS may make scheduled and announced visits. The Subrecipient shall allow DHHS monitors and auditors to have access to any records related to this agreement. The Subrecipient shall cooperate with all monitoring and audits.
- 32. Public Information:** The Subrecipient agrees that this agreement, related purchase orders, related pricing documents, and invoices will be public documents and may be available for public and private distribution in accordance with the State's Government Records Access and Management Act ("**GRAMA**"). DHHS and the State are not obligated to inform the Subrecipient of any GRAMA requests.
- 33. Publicity:** The Subrecipient shall not advertise or publicize matters relating to this agreement without the prior written approval of DHHS.
- 34. Information Ownership:** Except for confidential medical records held by direct care providers, DHHS shall own exclusive title to all information gathered, reports developed, and conclusions reached in performance of this agreement. The Subrecipient shall not use or disclose, except in meeting its obligations under this contract, information gathered, reports developed, or conclusions reached in performance of this agreement without prior written consent from DHHS. DHHS will own and retain unlimited rights to use, disclose, or duplicate all information and data (copyrighted or otherwise) developed, derived, documented, stored, or furnished by the Subrecipient under this agreement. The Subrecipient shall not use confidential federal, state, or local government information without prior written consent from DHHS, and shall bind any subcontractor to the same requirement.

35. Information Practices: The Subrecipient shall establish, maintain, and practice information procedures and controls that comply with federal and State law including, as applicable, Utah Code Title 26B and the privacy and security standards promulgated pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") & the Health Information Technology for Economic and Clinical Health Act of 2009 (the "HITECH Act"). DHHS may require the Subrecipient to enter into a business associate agreement if applicable. The Subrecipient shall receive or request from DHHS only information about an individual that is necessary to the Subrecipient's performance of its duties and functions. The Subrecipient shall use the information only for purposes of this agreement.

36. Secure Protection and Handling of State Data:

- 36.1.** If the Subrecipient is given access to or will be storing State Data as part of this agreement, the protection of State Data must be an integral part of the business activities of the Subrecipient to ensure that there is no inappropriate or unauthorized use of State Data. The Subrecipient shall safeguard the confidentiality, integrity, and availability of the State Data. The Subrecipient agrees to not copy, reproduce, sell, assign, license, market, transfer, or otherwise dispose of, give, or disclose such information to third parties or use such information for any purpose whatsoever other than the performance of this agreement. The improper use or disclosure of confidential information is strictly prohibited.
- 36.2.** Any and all transmission or exchange of State Data must take place via secure means. The Subrecipient shall create, store, and maintain any State Data on secure or encrypted computing devices or portable storage mediums. The Subrecipient agrees to protect and maintain the security of State Data with security measures including, but not limited to, maintaining secure environments that are patched and up to date with all appropriate security updates, network firewall provisioning, and intrusion detection. The Subrecipient agrees that any computing device or portable medium that has access to DHHS's network or stores any non-public State Data is equipped with strong and secure password protection.
- 36.3.** The Subrecipient shall: (i) limit disclosure of any State Data to Authorized Persons who have a need to know such information in connection with the current or contemplated business relationship between the parties to which this agreement relates, and only for that purpose; (ii) advise its Authorized Persons of the proprietary nature of the State Data and of the obligations set forth in this agreement and require Authorized Persons to keep the State Data confidential; (iii) keep all State Data strictly confidential by using a reasonable degree of care, but not less than the degree of care used by it in safeguarding its own confidential information; and (iv) not disclose any State Data received by it to any third parties, except as permitted by this agreement or otherwise agreed to in writing by DHHS.
- 36.4.** The Subrecipient shall promptly notify DHHS of any misuse or misappropriation of State Data that comes to the Subrecipient's attention. The Subrecipient shall be responsible for any breach of this duty of confidentiality by any of its officers, agents, employees, subcontractors at any tier, and any of its respective representatives, including any required remedies or notifications under applicable law (Utah Code Ann. §§ 13- 44-101 through 301). This duty of confidentiality is ongoing and survives the term of this agreement. Notwithstanding the foregoing, if there is a discrepancy between a signed business associate agreement and this provision, the business associate agreement language will take precedence.

37. Ownership, Protection, and Return of Documents and Data upon Agreement Termination or Completion: Except for records that must be retained for a longer period under section 41.2 and for confidential medical records held by direct care providers, all documents and data pertaining to work required by this agreement will be the property of DHHS, and must be returned to DHHS or disposed of within 30 days after termination or expiration of this agreement, regardless of the reason for agreement termination, and without restriction or limitation to future use. If such return or destruction is not feasible, the Subrecipient shall notify DHHS. The Subrecipient shall extend any protections, limitation, and restrictions of this agreement to any information retained after the termination of this agreement and shall limit further uses and disclosures to those purposes that make the return or destruction of the data infeasible. Any disposal of State Data must be disposed of in

such a manner that it cannot be recovered or recreated. Notwithstanding the foregoing, if there is a discrepancy between a signed business associate agreement and this provision, the business associate agreement language will take precedence.

- 38. Intellectual Property Ownership:** DHHS and the Subrecipient recognize that each has no right, title, or interest, proprietary or otherwise in the intellectual property owned or licensed by the other, unless agreed upon by the parties in writing. All deliverables, documents, records, programs, data, articles, memoranda, and other materials not developed or licensed by the Subrecipient prior to the execution of this agreement, but specifically created or manufactured under this agreement, is considered work made for hire, and the Subrecipient shall transfer any ownership claim to DHHS.
- 39. Equipment Purchase:** The Subrecipient shall obtain prior written DHHS approval before purchasing any equipment, as defined in the Uniform Guidance, with agreement funds.
- 40. Standard of Care:** The services of the Subrecipient and its subcontractors must be performed in accordance with the standard of care exercised by licensed members of their respective professions having substantial experience providing similar services, which similarities include the type, magnitude, and complexity of the services that are the subject of this agreement. The Subrecipient shall be liable to DHHS and the State for claims, liabilities, additional burdens, penalties, damages, or third party claims, to the extent caused by wrongful acts, errors, or omissions that do not meet this standard of care.
- 41. Record Keeping, Audits, and Inspections:**
- 41.1.** For financial reporting, the Subrecipient shall comply with the Uniform Guidance and Generally Accepted Accounting Principles (“GAAP”).
 - 41.2.** The Subrecipient shall maintain or supervise the maintenance of all records necessary to properly account for the Subrecipient’s performance and the payments made by DHHS to the Subrecipient under this agreement. The Subrecipient shall maintain all supporting documents, financial and statistical records, and other records related to this agreement and the federal award for six years from the date of submission of the final expenditure report or, for federal awards that are renewed quarterly or annually, from the date of submission of the quarterly or annual financial report as reported to DHHS, with the exception of those situations identified in 2 C.F.R. §200.333. DHHS shall have access to these records for as long as the records exist. This provision survives the expiration or termination of this agreement. The Subrecipient agrees to allow, at no additional cost, the State, federal auditors, and DHHS’s staff, access to all such records. The Subrecipient shall retain these records as required by GAAP, federal or state law, or specific program requirements, whichever is longer. The Subrecipient shall allow, at no additional cost, the State, federal auditors, and DHHS staff, access to all such records.
 - 41.3.** The Subrecipient shall retain all records which relate to disputes, litigation, audits, and claim settlements arising from agreement performance or cost or expense exceptions, until all disputes, litigation, audits, claims, or exceptions are resolved.
 - 41.4.** The Subrecipient shall comply with federal and state regulations concerning cost principles, audit requirements, and agreement administration requirements, including, but not limited to, the Uniform Guidance. Unless specifically exempted in the scope of work, the Subrecipient shall comply with applicable federal cost principles and agreement administration requirements if State funds are received. Counties, cities, towns, and school districts are subject to the State Legal Compliance Audit Guide. The Subrecipient shall send copies of required reports to dhhsfinancialreports@utah.gov.
- 42. Employment Practices:** The Subrecipient shall abide by the following employment laws, as applicable: (i) Title VI and VII of the Civil Rights Act of 1964 (42 U.S.C. § 2000e) which prohibits discrimination against any employee or applicant for employment or any applicant or recipient of services, on the basis of race, religion, color, or national origin; (ii) Executive Order No. 11246, as amended, which prohibits discrimination on the basis of sex; (iii) 45 C.F.R. § 90 which prohibits discrimination on the basis of age; (iv) Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, which prohibits discrimination on the basis of disabilities; (v) Utah
